Lesbian ex sues Maitland over porn films

By WENDY THOMAS
news@sundaysport.co.uk

PORN babe Maitland Ward is reportedly being sued after a LESBIAN affair with an X-rated co-star turned sour.

The actress, who made her grumble debut in 2019, is being asked to cough up nearly £250,000.

According to court documents, an actress and an editor in the adult entertainment business maintain they had a deal in September 2018 but were allegedly duped out of their share of money by Ward and her lawyer.

Demanding

The plaintiffs started working with Ward in July 2017, but things turned sour when the unnamed actress and the former sitcom star began licking each other out in their private lives.

Working relationships fell apart, which the plaintiffs claim resulted in them getting nothing but bounced cheques and broken promises.

The porn actress is now demanding to be paid £150,000 in the lawsuit, while the editor wants £75,000, plus other damages.

WARNING: Maitland

Ward, 43, has since denounced the claims in the lawsuit.

She told entertainment website TMX: "The fact that these longtime friends have gotten together after so many months to sue me is complete slander and immoral."

She also described the lawsuit as "a joke and a warning to all porn stars to be careful who you shoot with".

Ward landed the role of Rachel McGuire in *Boy Meets World* in 1998, in the sixth season of the show, which lasted until the series ended in 2000.

She signed with an adult talent agency in 2019 that resulted in her debut in the porn film *Drive*.

Since then she's taken yard after yard of rock hard COCK and made it as a porn superstar.

CABIN FEVER GETS TO LOCKDOWN COUPLE...

WHAT A CUT: Pete had no idea what his wife had done

I only asked my wife for a little trim...

MADE UP: But Pete and Sonia had been feeling strained

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

news@sundaysport.co.uk

AFTER a month of lockdown, it's only natural that tempers indoors are fraying a little.

Cooped up together 24 hours a day, with none of the usual respite of pub or work, is going to put a strain on even the strongest of relationships.

But tensions between married Pete and Sonia Lee became VERY visible when he asked her to cut his hair – and she shaved the word "C**T" into his locks.

The couple, of Hartlepool, are both furloughed at the moment as Pete is a pub manager and Sonia is a hairdresser.

Pete laughed: "I thought that, unlike many people, I'm not going to go back to work looking like Worzel Gummidge because Sonia is a trained stylist.

"But it's fair to say the last few weeks have been a bit stressful and we've been getting under each other's feet.

"I had no idea I was annoying her that much – or I would never have let her near me with those clippers!"

Pete, 34, said he had the obscenity in his hair for TWO DAYS before he noticed it while using a mirror to pop a pimple on the back of his neck.

He said: "It took me a second or two to realise, then I caught up. She's snipped the word 'c**t' in my hair!

"There were some warm words afterwards, I can assure you."

The couple have now worked through their difficulties and 32-year-old Sonia made amends by allowing her husband to take her "brown cherry".

She said: "It was the least I could do, in the circumstances."

MONDAY

BEARDY business tycoon Sir Richard Branson warns that his famous airline will go bust without a taxpayer-funded bailout.

In other words, Virgin Airlines will face the same fate as his other brilliant ventures like Virgin Cola, Virgin Condoms and Virgin Megastores.

We haven't seen this many Virgins go down since Prince Andrew's 40th birthday party.

TUESDAY

THE Duke and Duchess of Sussex officially cut all ties with downmarket newspapers *The Sun*, *Mirror*, *Daily Mail* and *Daily Express*.

You'll note that they didn't mention the *Sunday Sport* in that list – so we can only assume Meghan is still considering our invitation to get her bangers out on page 3.

All we will say is this: please don't leave it too long, Your Majesty.

There comes a time when we will have to say no, and we hate to see a princess beg. It was bad enough with Margaret.

WEDNESDAY

THE House of Commons hosts its first ever "virtual" Parliament – which most of our 650 MPs "attended" via videolink.

It is thought to be the second biggest collection of upstanding members on screen, after Leslie Grantham's hard drive.

THURSDAY

THE cream of British actors, singers, comedians and sports stars join forces for a charity telethon which raises more than £27million!

Or, to put it another way, our very best celebrities are slightly less appealing than an old man shuffling up and down his garden path.

The event was called *Big Night In*.

That's not to be confused with Big Knight In, which is what the main host, Sir Lenny Henry, used to say when entering Dawn French.

FRIDAY

CAPTAIN Tom Moore – who has already raised £30m by strolling around his garden – scores a number one single with *You'll Never Walk Alone*.

Some people find it hard to believe that a 99-year-old man could top the charts but it actually makes a lot of sense.

Look at the evidence: he walks with a limp, mumbles a lot and probably won't be around for much longer.

Frankly, that matches the CV of pretty much any rapper.

SATURDAY

US President Donald Trump causes uproar by suggesting that people with coronavirus could be "injected with disinfectant".

The idea of mainlining Dettol might seem laughable but – let's be honest – it's not so different from snorting Vim.

Which anyone who has bought a bag of "coke" from a nightclub dealer in Magaluf has definitely done.

'Let's give a big hand to all of our cheery care home workers'

WONDERS: We should care about our care home staff

By WENDY THOMAS
news@sundaysport.co.uk

I DON'T have just one unsung hero – I have thousands.

And they're the staff of care homes up and down the country.

It's only in that past few days that care homes have really been talked about but we have to remember that there are loads of them, looking after hundreds of thousands of elderly people.

The staff are paid really badly for what they do – which is looking after people who are too old or too frail to look after themselves.

Care workers get them out of bed, feed them, wash, them, even take them to the toilet.

It's gruelling work and not at all glamorous but still they do it day in, day out.

I've got a friend whose gran is in a care home.

She usually went to see her every week but she's not been able to since all this kicked off because it's locked down.

But the staff at the home keep her in touch with how her gran is getting on, and despite being at high risk of catching this awful virus, they're always cheery.

So my shout out goes to all care home staff in the country.

MY PUPPY LOVES WATCHING PIERS MORGAN...SO I'M HAVING HIM PUT DOWN

YOU'RE A CANT!... Queenie, unlike Scamp, can't stand telly host *(below)*

SUNDAY SPORT EXCLUSIVE
By BRAD CHADWICK

THROUGHOUT the coronavirus crisis, one man has made it his mission to hold government ministers to account, to publicly shame those who flout social distancing and to whip Britain into a suitable state of panic...

Piers Morgan.

While others have been content to wait for the best information before reaching a conclusion on the best way ahead, the former tabloid editor has never been so shy.

Day after day, the pal of US megabrain president Donald Trump has shared his opinions with us all – even bravely interrupting the less-strident words of his *Good Morning Britain* co-host, Susanna Reid.

It's fair to say that 55-year-old Piers is a 'Marmite' figure.

Some love him – some think he's a loudmouth, hectoring, bullying c**t.

Firmly in the second camp is 83-year-old Queenie Parsons, a no-nonsense widow of Bow, east London.

Alas, Queenie's hairy mongrel Scamp is a big fan of the man once described as "that c**t, Morgan".

And Queenie is so horrified by her dog's devotion to the TV host, she's going to have him PUT DOWN!

The dog, that is, not Morgan.

Queenie rasped: "Cor lummie, strike a light. Whenever that cant Morgan comes on the telly, the dog comes running down the apples and pears and starts licking the screen.

"I says to him, I says, 'GERTCHA' but he won't stop. Bleeding loves that cant, he does. I says to him, I says, 'Scamp, Scamp, but he's a cant!'

"It's no good. When the vets are open again, I'm off down there to get him destroyed."

Last week, Morgan appealed to fans for support to combat Ofcom complaints he 'bullied' MP Helen Whately, Minister of State at the Department of Health and Social Care, over the Government's much-criticised supply of PPE to the NHS.

That led to over 2,000 complaints to broadcasting regulators.

Beach bonk duo warned 'we see you'

Brighton & Hove City Council

A COUNCIL has issued a chilling "Big Brother is watching you" warning after a couple were caught shagging on a beach.

The randy pair were caught going at it like the clappers in Brighton, East Sussex, where they were snapped by onlookers.

Brighton and Hove City Council – which is dominated by the Labour Party and the Greens – sniffed in a statement: "It's an unfortunate picture and we would think the people involved will be highly embarrassed if their friends and families are able to recognise them.

"It certainly serves as a reminder to us all that you never know when someone is watching you."

Snitch hotline heats up Yanks

FREEDOM-loving Yanks have given the finger to a 'snitch hotline' set up for citizens to report violations of social distancing rules.

UK cops set up dedicated hotlines in the days after lockdown, for busybodies to rat on neighbours, and were flooded with calls and messages from prodnoses.

But when New York's Mayor Bill de Blasio tried to copy the idea with a dedicated line via texts, he got a lot more than he had bargained for.

Americans – who value liberty – flooded the line by texting DICK pics, middle fingers and pics of HITLER.

"Fk you!" replied @MorganLSchmidt1, along with a meme showing Hitler and the words, "To those turning in your neighbours and local businesses – you did the Reich thing."**

Other profane messages included a photo of a bowl of sweeties in the shape of male genitalia and a sign saying: "Eat a bag of dicks."

FORGET CORONAVIRUS...

I've got BONERvirus!

IT'S HARD LUCK: Len, with wife Doreen has perma-stiffy

WHILE millions around the world are suffering with coronavirus, Len Worth has a very different problem – BONERVIRUS!

Unhappy Len, 59, from Stalybridge in Greater Manchester, has been wielding a stiffy for the past two weeks.

But because of the Chinese Death Plague, he dare not visit his doctor or got to A&E in case he picks up a lethal dose of the killer bug.

Len winced: "At first, I was very pleased with the turn of events and so was my wife Doreen.

Honest

"She's not getting any younger and her ability to coax any interest in my old chap was on the wane, if I'm being brutally honest with you.

"So we made hay while the sun shone, which was one way to fill the time in lockdown."

But the novelty of being permanently on bonk soon faded for the couple, who have been wed for 30 years.

Len said: "Doreen's not getting any younger and her fanny got a big ragged with all that shagging. But the last straw came when I started knocking over her nick-nacks with my old man.

"I should go to the doctor or hospital, really, but they're full of folk with this ruddy virus and I don't fancy any of that, thanks!"

Kate: I talk to mum about Hawn-y stuff

ACTRESS Kate Hudson has revealed she "talks a lot about sex" with her mum – Hollywood legend Goldie Hawn.

The 41-year-old beauty (*below*) and her famous mother have such a close bond that they regularly discuss their love lives, as she revealed Goldie was the one who taught her how "fun" sex can be.

In a joint interview, Kate said: "What did you teach me about sex? There are so many things. We talk a lot about sex… surprisingly."

Goldie added: "I said, 'I want you to understand something about me – I'm not a prude, I love sex'."

And Kate replied: "Oh, that's right. And then she said, 'Sex is so much fun. But it's better when it's with one person'. And that was a good lesson."

The *Almost Famous* star says her mother first spoke to her about sex when she was trying to explain how "sexually oriented" she was.

Kate said: "Mum was asking what was going on with me sexually. I was like, 'I'm kind of a sexually-oriented type of personality'."

'Fatgirl' Alicia blasts her body-shamers

STUNNING Alicia Silverstone has opened up about the cruel "fatgirl" comments people made about her curvy figure after she played Batgirl on-screen back in the Nineties.

The 43-year-old actress starred in 1997's *Batman & Robin* alongside the likes of George Clooney and Uma Thurman.

But her magic movie moment was tainted by the paparazzi's choice to body-shame her.

Explaining what she went through, Alicia said: "That definitely wasn't my favourite film-making experience…

"They would make fun of my body when I was younger. It was hurtful but I knew they were wrong."

The *Clueless* actress added: "I wasn't confused. I knew that it was not right to make fun of someone's body shape – that doesn't seem like the right thing to be doing to a human."

Joel Schumacher's *Batman* movie was poorly received by audiences, getting only a 3.7 out of 10 in the respected *Imdb* ratings and also flopping at the box office.

Hacked Stranger Things star in 'kidnapping plot'

STRANGER Things star Joe Keery's Twitter account was hacked and filled with vile racist comments during a suspected kidnapping.

Fans of the 27-year-old actor, who plays Steve Harrington in the cult drama – became concerned when the N-word and claims he was "molested" on his Netflix show were posted on the account, which was quickly deactivated after his publicists were alerted.

A spokesman for Keery said: "As soon as we were made aware of the issue, we locked the compromised account and investigated.

"We're working closely with the account holder to restore the account."

Keery's account had also alarmingly retweeted an account called aqua_chuckling – which has since been suspended – falsely claimed it had "kidnapped" the actor and taken his mobile phone.

The account also posted screenshots of texts allegedly sent to Keery, including: "Burning my PC after this, feds ain't catching me."

Fleabag star: delivery man bashed cock in my hallway

COMEDY star Phoebe Waller-Bridge has admitted she kept a COCK prop from her hit show *Fleabag*.

The 34-year-old (*above*) appeared on *The Graham Norton Show* from the hallway of her home, during lockdown.

She showed off a wall of phallus casts from art show scenes in the hit TV series, as part of an exhibition by the main character's mother-in-law, played by Olivia Colman.

Phoebe told Norton: "Yes, they are all here… keeping me company!

"We put it there temporarily as we didn't know what to do with it.

"Putting it in the kitchen felt too intense, and putting it in one of the bedrooms can never go down well!

"You know how things in your own house can become invisible to you?

"Well, I'd completely forgotten, and a while ago a delivery man came in and bashed against them.

"Suddenly they became so visible to me, and when I said, 'Sorry' he looked me in the eye and said, 'It's art… never apologise for art'."

Pub drug sex attacker jailed

A ROMANIAN sex attacker who drugged his victim after meeting him outside a London pub has been jailed.

Carol Simon invited himself into the man's home after asking to share a taxi from The City of Quebec pub near Marble Arch.

Once they arrived at the victim's place on March 24 last year he administered the drug, sexually assaulted the man, in his 50s, and stole his wallet, watch and mobile phone.

Simon, a 45-year-old Romanian national of no fixed address, was jailed at Isleworth Crown Court for eight years and five months.

He'd earlier pleaded guilty to sexual assault, administering a substance with intent to overpower to allow sexual activity, possession of class C drugs and theft.

DOCTORS AGHAST AT PRESIDENT'S LATEST SUGGESTION FOR CURE

SUPERBRAIN president Donald Trump has stunned doctors AGAIN by suggesting that rubbing COTTAGE CHEESE in the eyeballs could be a cure for COVID-19.

By BARNEY SAMUELS
news@sundaysport.co.uk

Last week the U.S. leader caused consternation and panic when he seemed to suggest that injecting DISINFECTANT into patients could be a way of combatting coronavirus.

Now the Boss Yank's "very, very large brain" has come up with an equally bizarre, if less-hazardous, idea.

A White House insider said: "He was sitting in a cabinet meeting, looking out of the window, not paying attention, when he suddenly pipes up, 'Have doctors even TRIED rubbing cottage cheese into the eyes?'

"There was a silence and someone says, 'Whose eyes?' Trump says, 'The coronavirus patients, of course!'

"Then we all have to make a show of checking because he's the boss. Honestly, we waste so much time dealing with that c**t's stupidity!

"Of course nobody's rubbed cottage cheese into COVID patients' eyes. Because that would be the act of a F**KING MADMAN!"

Last week, a leading disinfectant producer was forced to issue a strong warning not to use its products on the human body after the president suggested it could potentially be used to treat coronavirus.

Briefing

Reckitt Benckiser, which owns Lysol and Dettol, said: "under no circumstance" should its products be injected or ingested.

During Thursday's White House coronavirus task force briefing, a U.S. official presented the results of government research that indicated coronavirus appeared to weaken faster when exposed to sunlight and heat. The study also showed bleach could kill the virus in saliva or respiratory fluids in five minutes, and that isopropyl alcohol could kill it even more quickly.

Mr Trump said: "I see the disinfectant knocks it out in a minute. One minute. Is there a way we can do something like that, by injection inside or almost a cleaning?"

Doctors warned that following the president's suggestion could have fatal results.

WARNING: Makers say disinfectant must not be injected

THE VOICE OF YOUR BRITAIN

Kim off it and look at the Chinese

FOR too long, North Korea's Kim Jong-un has been a thorn in the side of civilised nations.

This podgy Oriental potentate shows reckless disregard for the knife-edge geopolitical situation in his unhappy region.

With superpowers clustered and jostling in the western Pacific, he has nevertheless continued with his crazed nuclear ambitions.

Meanwhile, his dead-eyed, brainwashed people are forced to eat soups made from soil and human filth, while he lords it in a golden palace eating cheese from gem-studded platters.

Now we learn that Kim managed to make the hellish situation of the coronavirus plague even WORSE by buying up vital ventilator parts for a KAZOO ORCHESTRA!

This would be funny were it not so desperately tragic for the thousands left choking to death thanks to Kim's foolishness.

But, though much of the blame for this behaviour rests squarely on Kim's shoulders, his Chinese protectors must also be held to account here.

Not only do they bankroll and support this madman, they also covered up his role in Kazoogate.

Coming after the sly Communist rulers in Peking tried to hush up coronavirus, it just adds to our suspicions of this godless regime.

When the plague has passed we MUST reassess our relationship with this shadowy shower who would plunge us all into the eternal darkness of their own heathen ways.

Stool savages aren't wanted

THUMBS UP: Meghan and Harry

We're the only paper NOT snubbed by ex-Royal pair

YOUR *Sunday Sport* has been given a right almost-Royal THUMBS UP by Princess Meg and Prince Harry.

This paper was the ONLY mass-circulation tabloid left off a damning list of publications the newly-not-Royal-anymore couple withdrew co-operation with.

The pair, who wed in 2018, last year withdrew from public life, gave up their Royal titles and moved to Canada with son Archie.

They subsequently moved to the US where they are in lockdown.

But last week, with the world focussed on the fight against coronavirus, the couple took the extraordinary step of writing to the editors of several downmarket publications – *Daily Mail*, *Daily Mirror*, *The Sun* and *Daily Express* – to say they were not playing ball any more.

Naturally, *Sunday Sport* did NOT receive the snub.

The bombshell letter to our tawdry rivals read: "The Duke and Duchess of Sussex will not be engaging with your outlet. There will be no corroboration and zero engagement. This is also a policy being instated for their communications team, in order to protect that team from the side of the industry that readers never see.

"Media have every right to report on The Duke and Duchess of Sussex, good or bad. But it can't be based on a lie.

"The Duke and Duchess of Sussex are looking forward to working with journalists and media organisations all over the world, engaging with grassroots media, regional and local media, and young, and up-and-coming journalists, to spotlight issues and causes that so desperately need acknowledging. And they look forward to doing whatever they can to help further opportunities for more diverse and underrepresented voices, who are needed now more than ever.

Noodles lure sex beast off prison's roof

A BRUTAL sex offender was persuaded to halt a rooftop prison protest after he was bribed with a packet of biscuits and SUPER NOODLES.

Serial offender Danny Welsh (*above*), 28, is serving a life sentence for repeatedly raping a woman after forcing her off a street in 2014.

The monster climbed a fence at HMP Glenochil, near Alloa, and remained on the roof for six hours.

He told prison bosses he was convinced he had coronavirus but wasn't being taken seriously.

A negotiating team and siege coordinator were sent to talk Welsh down.

A source said: "Prison officers could have gone up and dragged him down but that is against strict protocols, so they had to watch as he sat there.

"They went through the motions of getting a negotiating team in and it was resolved in the end with a packet of biscuits and Super Noodles, although he'll have to answer for the breach of discipline with a month in segregation."

The Scottish Prison Service confirmed the prisoner had been involved in a protest.

PRIEST SAYS STRICT LOCKDOWN RULES MEAN SATAN WILL THRIVE

THEY ONLY LET ME EXORCISE ONCE A DAY!

WARNING: Father Patrick Mullaney

FORGET COVID-19 – the world is in even greater peril, thanks to the forces of SATAN!

That's the warning from a priest who claims social-distancing regulations and restrictions on travel mean he can only EXORCISE once a day.

And Father Patrick Mullaney believes that allows the legions of Lucifer to RUN RIOT!

Fr Mullaney, the only licensed exorcist in Biddulph, Staffs, told *Sunday Sport* the town of just under 20,000 souls is under SIEGE by the armies of the Adversary and the picture is the same nationwide.

By SIMON DEAN
Religious Affairs Correspondent

The horrified priest said: "In a very real sense, priests are the PPE of the soul. And we are being stopped from doing our job by the lockdown.

"Without us shining the light of Christ, the forces of Satan will spread faster than any virus. And this is not a virus of the body – this is a virus of the eternal soul.

Damnation

"By all accounts, a death from COVID-19 is very unpleasant but I can tell you that eternity in the fires of damnation is a lot worse!"

Fr Mullaney said he decided to speak out after an incident last week in which he was prevented from attending to a possessed young woman.

He added: "I got a call that a young woman out Knypersley way was being assailed by flying dragon dogs and was screaming obscenities at a one-way sign.

"I thought, 'Sounds like demonic possession to me' so I picked up my exorcism kit and headed out. Soon enough I was stopped by a constable and he asked me where I was going.

"I told him about the situation, and how the legions of Hell were gathering for the final battle between light and darkness.

"Not been at the communion wine have we, Father? Armageddon in Biddulph?! They're going to laugh at this down the station'.

"That's what I'm up against… what we're ALL up against! I've emailed the Pope but got no reply from Rome yet.

Sickos Zoom in to perform vile sex act in fitness class

TWO naked men hacked an online fitness session and performed a sex act.

As the group went through their exercises using Zoom the men join the virtual class then begin to perform the vile act.

One woman can be heard saying: "Craig, what the hell's going on?"

Craig claims the class was hacked after he left his Zoom password on social media pages to allow everyone to join his free session.

He said: "I started taking part in the class and I noticed some of the guys looking at me.

"The next minute there were two men. Lets not go into any details in case your kids are listening to this, but there's a video floating about social media."

Craig managed to get rid of the intruders but his account was then swamped by other gruesome images.

He went on: "It was disgusting. I had to shut the class."

Fred, 69, is leading a campaign in his home town of Crewe, Cheshire, to get the schools reopened.

Battle

Single Fred, a former swimming instructor, said: "What can be a surer sign that Britain is winning the battle against the virus than those lovely little kiddies skipping back to school in a morning – the sunlight shining through their light, summery dresses."

One time choirmaster Fred said: "Although there are certain reasons why I can't go within 100m of a school, there can be nothing better than standing at the railings watching those innocent little ones playing and gambolling during breaktime.

"Maybe they take a tumble and graze their knee – and you just think about rushing up and giving them a close, comforting cuddle. Not that I would, of course. Not after last time."

Ex-majorette coach Fred added: "And in the afternoon, I can stand in the front window of my bungalow watching them go home at the end of classes… their lithe, young bodies full of learning."

However, Fred said he has got a "mixed" reception to his petition to get the schools back.

Misunderstandings

He said: "Some people keep harking back to a few misunderstandings in my past but my online petition has attracted a lot of interest.

"Let's get the schools back and those lovely kiddies away from the suffocating safety of their homes and parents."

Last week Education Secretary Gavin Williamson apologised directly to young people for the interruption to their studies, but confirmed there were no plans to re-open schools over the summer.

He said: "Of course, I want nothing more than to see schools back, get them back to normal, make sure the children are sat around, learning, and experiencing the joy of being at school.

"But I can't give you a date."

Pimp used hooker for bail

A THUG pimped out a woman to raise funds to bail himself out of jail.

Brandon Woodward, 30, was nicked and locked up for battering a man in a robbery.

But while he was behind bars in Spokane, Washington state, he called a female acquaintance and ordered her to go out hookering and "rob the Johns" – to raise the cash for his bail.

Woodward has now been re-arrested and charged with human trafficking and promoting prostitution, on top of assault and robbery charges.

‘Cannibal’ probe after grim penis discovery

A MAN has been arrested on suspicion of murder and cannibalism after a severed COCK was found in his garden.

The grim discovery was made on 66-year-old Viktor Zakharov’s property in the Siberian village of Severnoye – leading police to find the remains of two other men in his house and other body parts outside.

Cops are investigating whether the scrap metal collector, who was collared last week, ate the men.

Police were put on the case when the wife of one of the victims reported him missing.

When his bike was found near Zakharov’s ramshackle home, the suspect admitted that he had been drinking with the missing man a few days earlier.

According to a local report: “At that moment a policeman saw a severed penis in the yard.

“He went inside and began to check the grounds. As a result, parts of the missing man’s body were found in the outside toilet and the garden. In the cellar, they removed the plank floor and found two skeletons.”

Zakharov, who has served a 15-year sentence for the murder of his sister in 1991, is still being interrogated.

Warts and all film on tragic Whitney

DEAD soul singer Whitney Houston’s life is to be made into a big-budget feature film.

Taking its title from one of her biggest hits – *I Wanna Dance with Somebody* – the movie has the backing of the star’s estate and her longtime record producer and mentor Clive Davis.

The flick is described as a “joyous, emotional and heart-breaking celebration” of Whitney’s life and music, which will also be “very frank about the price that super-stardom exacted.”

Houston, 48 (*above*), whose other hits include *I Will Always Love You*, drowned in a bathtub at a Beverly Hills hotel in 2012 on the eve of the Grammy Awards after taking cocaine.

She had a long battle with drug addiction.

MASTER CHAV WINNERS 2020

Kevin & Sharon land worst UK neighbour gong

IDLE: Kevin and Sharon

MEET Kevin and Sharon Jones – the scruffy, scowling, but proud winners of Britain’s first ever MasterChav.

The polyester-wearing reprobates secured their place as the country’s least desirable neighbours after a hotly-fought nationwide competition.

Judges including the former ITN newsreader Sir Trevor McDonald and ex-BBC Radio 4 *Today* show interrogator John Humphrys picked out the Joneses for their “spectacular lack of empathy” and “incredible ignorance” for others.

Fed-up

Kevin, 49, and Sharon, 47, were nominated for the gong by fed-up locals on their estate outside Wrexham, North Wales.

They were awarded an inscribed plaque and a glass trophy of a wheelie bin at an awards ceremony in Chester filmed just before the coronavirus lockdown.

Both items were seen just hours later in a pawn shop window in nearby Oswestry.

Kevin, a self-described unemployed drive-layer, said: “People think being a chav is the ultimate example of how little you can get away with doing, and they’re dead right.

“I don’t need to work because I get free money off the Government.

“I don’t need to cook because Sharon’s a dab hand with the kettle and them 6p noodles from Home Bargains.

“And I don’t need to be able to read because that’s what the telly’s for. When Sharon can get the aerial in the right position, anyway.”

Sharon, who has seven children to seven different men who all drink together at the estate social club, said she was proud to be recognised for her complete lack of talent and social mores.

“Who wants to be known as the hoity toity bitch from No.23 with the kid with proper haircuts and right coloured school blazer?” she said.

“I’m proud that my kids know f**k all about anything and have the worst truancy record on the estate. Proper little c**t-turds, they are!

Terrorising

“My heart bursts with pride of an evening when they are out terrorising the elderly and beating up posh kids for pocket money.”

One neighbour, Beryl Moffatt, 63, said: “They’re quite easily the worst people I have ever had to live near, and I used to live in Bradford.

“Never a day goes by without hearing the sound of that idle sod Kevin shrieking at Sharon to take him a newspaper while he’s sat doing his morning business.

“Not because he wants to read – he can’t – but because he likes the feel of newsprint on his poo-hole when he is giving it a wipe.”

A spin-off off show, *Masterchav: The Unprofessionals*, had been expected to be on our screens in the autumn but the COVID-19 pandemic means that filming has now been delayed indefinitely.

Zoe’s glad she’s got a garden!

HOT honey Zoe Morrell is glad she opted for a house with a garden.

The St Albans, Herts, stunna said: “I used to live in a flat and I don’t know how I would have managed with the current situation, being cooped up all day in lockdown.”

Zoe, 29, added: “I’ve only got a little garden but at least I can go outside whenever I want to get some fresh air.”

And the 30F beauty added: “I’m lucky because I’m not overlooked, so if I want, I can sunbathe topless – not that I’m shy about showing off my boobs, of course!”

Lesbian sex row mum's body found

THE remains of a mum-of-six have been found – 13 months after it was feared she had been kidnapped and shot for refusing to put on a lesbian sex show.

A council worker stumbled across the skull of Jessica Flores, 36, with police sniffer dogs later finding the remainder of her skeleton. She had been reported missing in late February 2019.

During the police investigation, a witness alleged that Drew Carter, 41, shot Flores with a revolver in the back seat of a car after she allegedly refused to have sex with him and another woman.

He was charged with her murder, but later released.

Flores was found in a wooded area in Gary, Indiana, about 20 miles east from her home in South Chicago Heights, Illinois.

A judge dismissed the case without prejudice, which means that the prosecutors were given leave to re-file charges later.

Fleeing crook's 'virus' sign fail

A WANTED man tried to deter authorities by taping a shoddy sign to his front door claiming he had the coronavirus.

Cops discovered the message – which read "COVID 19 infected since 8/4/20" – at the home of 28-year-old suspect Joshua Price.

Price was picked up for fleeing and violating his probation, cops said.

Officers used protective gear when arresting him, but it was later found there was "no indication" he had been exposed to the virus.

A Sheriff in Bardim, Florida, said: "Placing a fake 'Covid-19' sign on your door will not stop us from kicking it in when you have felony warrants for your arrest."

An insider said: "He ain't got no virus but he done got a bad case of 'falling down the stairs' yessir!"

MEET TIZER KING!

TIZER FEAT: Martin poses in a bath of his favourite fizzy stuff and (*below*) *Tiger King* star Joe

FORGET Tiger King – meet TIZER KING!

Flamboyant Joe Exotic has become lockdown's biggest star thanks to the bizarre true crime Netflix mini-series all about his shambolic life.

By SIMON DEAN
news@sundaysport.co.uk

Besotted

But when it comes to being wacky, Joe has a rival in the shape of Martin Jones.

For while Joe is besotted with big cats, Martin loves AG Barr's sticky orange soft drink – so much so, he even BATHES in the stuff.

Single Martin, 36, of Shrewsbury, Shrops, said: "My mum always used to give me a can of Tizer if I came home crying after Uncle Len took me swimming.

"And I'm still hooked. I tried to change my name once to 'Martin I Love Tizer' but the man at the Post Office said I couldn't and told me to f**k off.

"But I do love Tizer. I reckon that I drink three two-litre bottles a day and I have a Tizer bath once a week – though not in the summer, on account of it attracting wasps."

One neighbour, who asked not to be named for fear of reprisals, said: "Tizer mad? He's just mad. If he came near my kids, I'd do time."

The neighbour added: "Has he told you about Uncle Len, his mum's brother? He's his dad, you know. That explains a lot, doesn't it?"

But Martin wants to make it clear that unlike the Tiger King, the Tizer King is NOT a gay.

He said: "Each to his own, that's my motto. But it turns my stomach just thinking about it. Two blokes kissing and cuddling. No way. Not in Shrewsbury."

Meanwhile Tiger King Joe Exotic – real name Joseph Allen Schreibvogel – is serving a 22-year sentence in federal prison for animal abuse crimes and for plotting the murder of animal rights activist Carole Baskin.

The colourful ex-cop – who once ran to be President of the US – once claimed to be the most successful breeder of tigers in the US.

...and now you can get the Joe DILDO!

FANS of *Tiger King* can now get even closer to the action thanks to a Joe Exotic DILDO!

UK-based erotica retailer Uber Kinky has just released the "hand-crafted" eight-inch sex toy.

It comes in a range of different colours (including rainbow and classic orange and black) with a Prince Albert penis piercing AND Joe's signature cock padlock (the oddball has a padlock piercing in his glans).

The product description reads: "Had some kinky sex like Joe Exotic?! Well, the Sinnovator Tiger King Realistic Dildo will open you up to a whole new world of perverted possibilities.

Indeed, there's nothing cooler, sexier and more significant to the world we live in! This big chunk of meat will fulfil animalistic instincts and satiate the hungriest of holes.

"It has been expertly handcrafted with unparalleled attention to detail and features multiple piercings. Indeed, the eye of this tiger is pierced by a perfect penis stud.

"Featuring a large Sinnovator padlock, and 4 sleeper piercings down the side, this big beast is completely unique, both in look and feel.

"The perfect padlock pops pleasingly inside, while the girthy build stretches and satisfies to ensure gratification like never before. So, simply hold this cock captive in your cavity and go wild!"

Uber Kinky will donate 10 per cent from each purchase to Tiger Watch – a charity committed to the conservation of tigers and their natural habitat.

'Fake' lesbos lure taxi driver into armed robbery

TWO women conned a taxi driver into taking them back to his apartment for a lesbo sex show – only to let their partners inside to rob him at gunpoint.

The 32-year-old driver told cops he picked up three women in East Bronx, New York.

After dropping off one fare, the remaining two convinced the driver to bring them up to his apartment – where they would "put on a little show".

But once they starting drinking, one of the women let in two armed men.

The group then ransacked the apartment – stealing four watches, a laptop, three pairs of sunglasses, the driver's debit card and $1,000.

Police released a photo of the two female suspects *(above)* and a short clip of the two in a car.

EVIL KIM BUYS UP VENTILATOR MOUTHPIECES FOR HIS KAZOO ORCHESTRA!

The real reason for global shortage

SELFISH: Dictator Kim has put lives at risk globally to satisfy his weird whim

MISSING PIECES: Ventilators are useless without the bit that goes in the mouth

A WORLDWIDE shortage of life-giving ventilators in the midst of the COVID-19 plague has been caused by none other than evil North Korean despot Kim Jong-un!

The tubby tyrant – currently fighting for his life after heart surgery – bought up almost the entire global supply of vital mouthpieces for the medical gadgets for his KAZOO ORCHESTRA!

Kim's agents placed huge orders for the mouthpieces – which connect ailing patients to the oxygenating machines – in late November, weeks before coronavirus made the leap from bats to people via Wuhan's filthy wild animal markets.

The result was, when coronavirus exploded across the globe earlier this year, supplies of mouthpieces were at an historic low.

Meanwhile, Kim, 36, was sitting back in his palace in Pyongyang, listening to his 2,000-piece orchestra playing his favourite easy listening tunes on massed kazoos.

Cover-up

The scandal was uncovered by CIA spies and a whistleblower tipped off *Sunday Sport*.

Our source shuddered: "This is yet another Chinese cover-up.

"China is North Korea's only international friend so it would be hugely embarrassing for the regime in Peking to admit their pal had put millions of lives at risk with his irresponsible whim.

"Meanwhile, there were thousands of ventilators standing idle across the world, unable to be used as Kim had all the mouthpieces.

"Production was ramped up but the was a huge mountain to climb."

But in what could be a case of poetic justice, Kim himself ended up on a ventilator last week as he became gravely ill after surgery.

Years of smoking and a lifelong addiction to fatty cheese have left the dictator with a dodgy ticker.

He is a third-generation tyrant, following in the footsteps of his father and grandfather as iron-fisted ruler of the secretive rogue state.

Kids' jail worker w**ked off boy inside freezer

A JUVENILE prison catering assistant wanked off a young inmate in the canteen FREEZER after daring him to show her his cock.

Cops arrested Emily Amber Fitzgerald, 41, and charged her with one count of sexual battery of a juvenile.

She allegedly admitted to having sexual intercourse with the victim and several other juveniles at the Center for Success and Independence in Ocala, Florida.

The victim told investigators that Fitzgerald asked him if he wanted to play "truth or dare".

He said Fitzgerald dared him to go into the freezer and show her his penis.

Inside the freezer, he pulled his pants down and Fitzgerald *(above)* wanked him off.

The victim said Fitzgerald approached him about three weeks later and asked him if he wanted to have sex.

He said they went into a pantry and had sex.

Brothel Madam: I'll open for sex!

A BROTHEL owner is planning to reopen her business – claiming punters are in dire need of sex in these uncertain times.

Madam Bella, the owner of Bella's Hacienda in Wells, Nevada, says she understands reopening brothels will be a challenge given the coronavirus outbreak.

However, she wants to be "proactive and transparent" in putting a "safe" plan into place.

Bella said: "Until there's an effective and readily available vaccine for COVID-19, it certainly can't be 'business as usual' at the brothels."

Her plan includes testing protocols, personal protection equipment, regular temperature checks and sourcing a supply of COVID-19 test kits which would be made available to "brothel physicians".

I'm fighting off coronavirus by guzzling spunk smoothies

REAR-LY HEALTHY: Babe says semen will ward off killer virus

SUNDAY Sport REAL LIFE

IT'S not QUITE as bizarre as Donald Trump's deadly "inject disinfectant" cure for coronavirus – but it's wacky all the same.

Tracey Kiss, 32, reckons ingesting her boyfriend's HOT SPUNK every day – either "directly" from the cock, or as part of a smoothie – will see her through the pandemic.

And the personal trainer has also been putting the product on her skin, which she dubs "nature's multivitamin", as part of her healthcare routine for the last three years.

She reckons it's packed with vitamin C, calcium and magnesium, and is urging everyone else to use semen to keep healthy.

Purity

Mum-of-two Tracey, from Aylesbury in Bucks, said: "The purity of it is great. People are stocking up on pasta and that, but really it's about looking at your health and at what goes in your body.

"Semen is nature's very own multivitamin… it's there, it's natural, and it's free.

"It's everything you need in one daily dose. It's a really normal part of my life and it contains a lot of nutrients, vitamins and minerals."

By STEPH DILLON
news@sundaysport.co.uk

Despite all this, doctors have raised eyebrows at Tracey's treatment, with one saying it is "extremely worrying."

Dr Sarah Jarvis said: "There are hundreds of myths out there about how to protect yourself against COVID-19.

"And most of them are just that – myths.

"The idea of drinking semen doesn't have the slightest nugget of science behind it and is frankly extremely worrying.

"There is no benefit to drinking semen from one known 'donor' – even when you know everything about their sexual history.

"But if you are taking in semen from more than one person, you would run the risk of sexually transmitted infections as well.

"There are clear ways you can protect yourself and they are the messages we are giving out constantly – thorough handwashing, using 60% plus sanitiser gel when soap and water aren't available and avoiding contact with others as much as possible."

Tracey is no stranger to the saucier side of life – as well as being a former glamour model she also appeared FULLY NAKED on Channel Four's *Naked Attraction*.

Boris: My virus hell was even worse than losing soggy biscuit at Eton

SUNDAY Sport EXCLUSIVE

POSH: Johnson in his school days

BATTLING Prime Minister Boris Johnson has told pals that his brush with death after contracting COVID-19 was "even worse than losing at soggy biscuit at school".

For a few days earlier this month it looked like Boris might become the first British PM to die in office since Lord Palmerston in 1865.

After days in isolation in his Downing Street flat, the 55-year-old was taken to St Thomas' Hospital and later transferred to intensive care.

Although Boris was not placed on a ventilator, he was in a bad way and he received get well wishes from members of the public and other world leaders.

He was discharged from hospital at Easter and went to the PM's Buckinghamshire retreat, Chequers, to recuperate.

But until now we've had no real sense of how awful his ordeal was.

By BARNEY SAMUELS
news@sundaysport.co.uk

Stiff

A pal told *Sunday Sport*: "Boris, being Boris, was keen to keep a stiff upper lip and make out that it was not all that bad.

"But it was – he could hardly breathe and he thought he was dying. When I asked him, 'How bad was it?' he looked me in the eye and said, 'It was worse than losing at soggy biscuit that time at Eton'."

Soggy biscuit is a popular game played at leading English public schools. It involves a circle of boys masturbating onto a digestive biscuit. And the last one to ejaculate has to eat the spunk-splattered treat.

Boris attended Eton from 1977 to 1983 along with Princess Diana's brother, Charles Spencer.

A classmate from those days said: "Boris only lost at soggy biscuit once and afterwards he said, in Latin, 'This day shall never again be spoken of'.

"He vowed that day never to lose at anything ever again – it made him the man he is today. In a very real sense, that spunky biscuit put Boris in No.10.

"It is a measure of how ill he really was that he even mentioned the soggy biscuit."

RHIAN: DON'T KNOCK MY KNOCKERS

Beauty blasts prudes

STUNNA Rhian Sugden has slammed critics of her OnlyFans account, saying she's proud to show off her boobs.

The glamour model was stunned when she was criticised for signing up to the subscription-based service.

Rhian, 33, has been accused of peddling pornography, but lashed out at the suggestions.

In a statement on Twitter, she wrote: "A lot of people have a lot of opinions about OnlyFans but hardly know anything about it. There are so many Judgemental Janets knocking about.

Grateful

"My boobs do not offend me. They have been the biggest part of my career for a long time.

"OnlyFans is essentially a platform where you share whatever it is you like. There are personal trainers on there, dog lovers, bloggers, glamour girls – and yes, porn stars.

"I have control over what content I want to upload and I'm able to carry on the job that I have loved doing for the past decade.

"I'm proud to have been the longest standing Page 3 girl and I am very grateful to have built up a fan base that has followed me throughout those years."

Locals claim their mummy has stopped coronavirus!

LOCALS in a Russian region say there are no coronavirus cases in their area – thanks to an ancient MUMMY!

The Altai region in southern Siberia, home to around 220,000, is Russia's only region where zero cases have been identified.

And locals thank 2,000-year-old Princess Ukok, an Iron Age mummy whose tomb was excavated in 1993.

The mysterious mummy – also known as the Siberian Ice Maiden and Altai Princess – came from the nomadic Pazyryk tribe.

Regional deputy Yerzhanat Begenov said: "The princess is keeping us safe, that is certain. But that is no excuse to ignore social distancing rules… and wash your hands!"

The Pazyryk tribe is a close relative to the Scythian peoples who populated the Eurasian steppes from roughly the 7th-3rd century BC.

The princess's 1993 excavation from the Siberian permafrost was surrounded by controversy, with many locals warning that removing her remains from the tomb would ignite revenge from beyond the grave.

A major earthquake that hit Altai shortly after her remains were moved to Novosibirsk seemed to prove their point.

'Pimp' lawyer's sex for legal aid

A DIRTY lawyer offered free legal advice to underage girls caught soliciting – before HE put them to work as hookers.

John Gillespie, 71 (*above*), was arrested over allegations of human trafficking a minor and offering legal help in return for sex to victims as young as 15.

He is accused of running a prostitution ring from his home in Melbourne, Florida, after a police probe.

Gillespie was arrested after allegedly travelling to Orange County from Brevard County to pay £80 for sex with a 16-year-old, whom he planned to recruit.

The 'girl' was actually an undercover agent.

RAM RUDER

DRUGGED Jeffrey Earl Ross II, 27, was nicked when he staggered into a shop in Muskogee, Oklahoma, stark naked after crashing a stolen vehicle outside.

Teacher who masturbated teenager in class is jailed

A RANDY school Miss sent a 14-year-old lad pictures of her fanny – then wanked him off in a classroom.

Sarah Heskin (*above*) set up a secret Instagram account and sent nude photos and videos to the teenager.

Heskin was 23 at the time.

The former eighth grade English teacher was arrested last May for "inappropriate relations" the lad.

She admitted kissing him at school and was released on bail.

Soon afterwards, cops found her secret social media account which contained explicit descriptions of the handjob she treated the schoolboy to at Durand-Arkansaw Middle School in Wisconsin.

In December, Heskin pleaded guilty to child sexual assault, and last week she was handed a five-year jail term.

Dirt bikers flock to council 'sand pit'

A COUNCIL filled a town's skate park with sand – to stop skateboarders gathering there – only for the place to become a hot spot for DIRT BIKES.

Bikers flocked to Ralph's Skate Court in San Clemente, California, where they flouted social distancing rules by popping wheelies and catching air on half pipes.

Local resident Connor Ericsson said: "The fact the city put the sand in there to try to social distance everyone – I think it's a big joke."

Some of the dirt bikers then helped local skaters dig out the sand.

The city shuttered the park and put up "no trespassing" signs on April 1, but when kids continued to flock to the park, officials dumped 37 tonnes of sand into it because it "appeared the closure was not being abided by".

WE'RE MAKING A MINT AS LOCKDOWN LESBIANS!

EXHIBITIONISTS: Annabel and Chloe had no qualms about performing sex acts on each other for fellas to ogle online

FUN LOVERS: The pair have made up for lost bar work

Students Chloe and Annabel film XXX-rated romps in their digs

WITH lectures called off and pubs shuttered for the duration, students Chloe Wallis and Annabel Perkins found themselves at a loose end.

What's more, shut up in their student digs and only allowed to venture out for essentials and exercise, they were climbing the walls.

But the bright-as-buttons Manchester sociology undergrads found a way of filling the empty hours AND making a few quid…

LICKING EACH OTHER OUT!

Now they have a huge following of fellas who shell out to watch films of their lesbian antics.

By STEPH DILLON

Annabel, 20, said: "We both worked part-time in the same bar, so when the bars closed down we both ended up skint.

"And although we are still doing coursework and having some lectures online, we both have more time on our hands."

Chloe said: "Neither of us are full time lesbians but we'd had sex together a few times, like when we've had a drink or two.

"And we're both exhibitionists, so you have a couple of lesbian porn stars ready-made!"

Annabel said: "Our first try was a bit of a disaster. It looked really clumsy but we put it on an internet pay site and it was a massive hit. It looks like some blokes like it looking real.

"I have a hairy fanny while Chloe is shaved. Guys love the contrast. I like to get my c**t up close to the camera and pull my lips apart with the hairs."

Chloe said: "The first time that Annabel put a dildo up my bum I was so turned on, I squirted. That one scene made us £1,000!"

The pair say they are not sure whether they will continue with their porn antics when things return to normal.

Annabel said: "It's rewarding getting paid to do something that I love anyway!"

It's not the first time that Meg has been involved with sex toys and video cameras.

Before she found fame on reality TV, the blonde babe was a full-on porn star.

And while she didn't take a cock up herself on camera, she did use a vibrator which to bring herself to a heaving orgasm.

A source said: "Meg's a game lass and she knows posting a picture of herself with a £79 vibrator was going to get some pretty juicy comments."

Government cash fury nut torches shed

A HOTHEAD was so enraged that he hadn't received his COVID-19 government payout, he set his mum's SHED on fire.

Marvin Smith (*above*), 51, was squabbling with his mother over the state cash support when he torched the outbuilding.

Witnesses told cops that Smith was inside the shed moments before smoke and flames began billowing from it. He then fled.

Police in the Hamburg area of Avoyelles Parish, Louisiana, later busted Smith, who was armed with a knife.

He was hauled off to the local nick and charged with arson and a string of other misdemeanours.

A police source said: "We done know this boy and he ain't got the brains he had when he came outta his momma!"

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

7-PAGE SPECIAL

By SIMON DEAN simon@sundaysport.co.uk

EXERCISE, as they never get tired of telling us, is good for the body AND mind.

With lockdown, social isolation and a killer Chinese death plague snapping at our heels, it's never been more important to keep well.

But let's be honest – exercise is boring.

And exercise people are boring too, right?

Workout

Self-obsessed gym bunnies who spend hours pumping iron and running on treadmills in a vain attempt to silence that inner voice that whispers, "You are worthless"?

But exercise CAN be fun – particularly if it's practised by lovely ladies with their big busters out!

So today, as a service to the nation, we present seven boob-packed pages of girls going through their exercise regimes.

And hey, even if it's only your right arm that gets a workout, better than nothing, eh?

10 things you might not know about DOCTOR WHO

A GROUP of 10 *Doctor Who* actors from the past 50 years said 'thank you' to real doctors and other NHS staff on a star-studded BBC fundraising telethon on Thursday.

BBC1's *The Big Night In* featured the current Time Lord actor Jodie Whittaker, and a host of her predecessors.

It shows what an iconic part *Doctor Who* plays in the BBC and our nation as a whole.

Here are some *Doctor* facts you may not…

1 *DOCTOR Who* is a real doctor. According to Second Doctor Patrick Troughton in series four, he took a medical degree in Glasgow in 1888.

2 THE term 'Time Lord' wasn't actually used until the series' sixth season episode *The War Games* in 1969. His home planet of Gallifrey wasn't mentioned by name until 1973.

3 WILLIAM Hartnell, who played the First Doctor from 1963 to 1966, was having health problems toward the end of his run on the series. To ensure that the show could go on without its original star show bosses decided the Doctor could 'regenerate'.

4 EXPLAINING the regeneration process, an internal BBC memo noted: "It is as if he had had the L.S.D. drug and instead of experiencing the kicks, he has the hell and dank horror which can be its effect."

5 THE TARDIS is meant to blend into whatever time and place it has travelled to. But its cloaking device, known as a chameleon circuit, is broken – so it's stuck looking like a police box.

6 RIDLEY Scott, who worked for the BBC at the time of *Doctor Who*'s creation, was given the task of designing the Daleks, but left to become a director before getting round to it.

7 FOURTH Doctor Tom Baker played the Doctor for seven years and 172 episodes – longer than any other actor. As far as the rebooted series goes, David Tennant holds the record with six years and 47 episodes.

8 WHEN the BBC tried to trademark the TARDIS they were blocked by the Metropolitan Police. The case dragged on for six years and the Met eventually lost the case.

9 TWELFTH Doctor Peter Capaldi was obsessed with the series as a kid and bombarded producers asking to be president of the show's fan club.

10 IN 2008, show boss Russell T Davies suggested Catherine Zeta-Jones as his top pick to replace David Tennant.

Pick up your fave newspaper – & lots more – at your brilliant local neighbourhood retailer

WHILE our NHS and other front line workers battle to keep us safe from the coronavirus, there are others hard at work in Britain, too.

We're talking about the army of neighbourhood shopkeepers who welcome customers from the lark's first whistle until closing.

Newsagents, off-licences, grocers and tobacconists – often all four in one – THESE are the shops which form the backbone of the High Street in the UK.

Brilliant

And the independent stores are the ones which stock your fave *Midweek*, *Weekend* and *Sunday Sport*.

Without our amazing readers and our brilliant retailers, the three Sport newspapers would be no more.

We're all in this together, folks, so let's give each other a helping hand!

Just fill out and hand the coupon on this page to your local shopkeeper, so they can RESERVE your copy and you'll NEVER miss out!

"THE first time I was in *Sunday Sport* I went to a supermarket near me to buy a copy.

There weren't any so I asked and the assistant sniffed: "Oh, we don't sell THAT paper here!"

I thought: "What a snooty cow!" and went to the corner shop at the end of my street.

I'm ashamed to say that it was the first time I'd been in but I was blown over. It had it all – including *Sunday Sport*.

I put in a regular order and now do most of my shopping there.

If supermarkets look down their noses at the paper I model in, they can wave goodbye to my money – I spend locally!"

Age 25, 32B, from Croydon, south London

DEANO ON SUNDAY

No money? So why spend £50k on a Diversity Manager?

WE all know the script – the NHS is on its knees thanks to years of "evil Tory cuts".

There's scarcely a penny spare for an extra bed pan and medics are forced to amputate limbs with no anaesthetic using rusty saws from B&Q – by candlelight – in car parks.

The COVID-19 plague has made it worse – with much-needed NHS face masks being sold to shadowy international money men to fund tax cuts for billionaires.

There are quite a few lefties still among my Facebook friends and they regurgitate this nonsense with skin-crawling regularity.

Now, at this point – to avoid a lynch mob turning up at Deano Towers next Thursday night to clap me senseless – I want to make it clear that the front-line NHS staff are amazing.

We all appreciate what they do. I show my appreciation every month by happily handing over a decent wedge of my pay to help fund the health service.

I'd argue that's rather more helpful to the NHS than some congenital scrounger puking sentimental anti-Tory garbage on social media every five minutes.

But IS the NHS knackered?

Not if a recent job advert for the University Hospitals Bristol NHS Foundation Trust and Weston Area Health NHS Trust is anything to go by.

It reads: "*There really has never been a more exciting time to join us*" – there's an understatement for you!

Draining

The job entails not healing bones, draining COVID-clogged lungs or even tending bedsores.

The job description reads: "*An exciting opportunity has arisen for a high performing and dynamic individual to join us in developing and delivering a key programme of work to drive the Trust's ambition and vision of being committed to inclusion in everything we do.*

"*In line with the Workforce Diversity and Inclusion Strategy, the post holder will develop, lead on and evaluate a programme of work integral to the organisational development plan, focusing in particular on diversity and inclusion. The post holder will ensure the programme is delivered in accordance with the Trust's Strategy, Vision, Values and desired culture to ensure that the Trust is equipped to provide a world class patient experience and a great place to work for its staff.*"

Got that?

Me neither.

The job title is… wait for it… "Diversity and Inclusion Manager".

And the salary? Up to £50k.

FIFTY F**KING GRAND! Way, way more than for, say, a nurse, who does the actual "healing the sick" part.

For the love of the c**ting f**k!

Britain is facing the biggest medical emergency in a century and the NHS is taking on bods to make sure the tranny toilets are up and running!

Boris Johnson and Matt Hancock get plenty of crap over the NHS. That's fair enough – our elected leaders are there to take the flak.

But the NHS management spunking shitloads of OUR money on f**king "Diversity and Inclusion Managers" rather than face masks, PPE and nurses need a f**king rocket up 'em, too!

ALBANIAN SHIT GANGS SELL ILLEGAL PAINT IN BOOZE BOTTLES

GOLD BRUSH… New scam is money maker for criminals

LOCKDOWN law allows us to go out and buy a tank of strong booze to get pissed – yet it is illegal to buy paint to decorate the kitchen.

By BRAD CHADWICK
news@sundaysport.co.uk

But one man's nonsense is another man's gold – as Albanian Shit Gangs are finding out.

For the crafty criminals have taken to selling gloss, emulsion and eggshell disguised as BOOZE to desperate DIY-ers!

The scam is a lifeline for the gangs who have seen their usual foul trade – stealing stools from municipal toilets – dry up as public lavvy usage plummeted during the lockdown.

One police intelligence analyst, who asked not to be named for fear of reprisals from the gangs, said: "It's like a weird inversion of 1920s Prohibition in America.

"Back then, they were selling booze in paint cans. Now they're selling paint in booze containers.

"We've seized van loads of what looked perfectly legal Hungarian rum, which turned out to be contraband Macedonian emulsion.

"Have you seen what Macedonian emulsion can do to a wall? Horrific. This is not Farrow and Ball Elephant's Breath, not by a long way."

But the shit gangs are finding thousands of eager customers.

One DIY-er, who we agreed not to name, said: "I was desperate, so I went to one gang and paid £50 for a litre of Serbian brilliant white disguised as vodka.

"The fumes killed the cat and I later found out that the finish was like a smallpoxed orphan.

"But what could I do?"

CHEERS… Bottled paint a big seller for desperate DIY-ers

Natasha is comin' 'n' goin' for it!

By WENDY THOMAS
news@sundaysport.co.uk

FILTHY Natasha Marley has been using the lockdown to try and break a world record for the most orgasms in one day.

The 32D beauty from Aldershot has been steadily working her way up from her usual three a day in a bid to enter the record books.

But there's one problem – Natasha, 31, doesn't know what the record is.

She said: "I thought I might as well use my time productively so I've been training for a world record in orgasms.

"I started off with three, which is my usual amount, then I built up and up and on Friday I managed 22.

"It was a hell of a day but I didn't have much time for anything else.

"I'm going to try for more because I don't know what the record is.

"It can't be more than 30. I think I might try for 50 though!"

EMMA: I GIVE GREAT ORAL!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Emma Green loves giving BLOWJOBS – and enjoys getting her MINGE licked out in return!

The 26-year-old, from Camberley in Surrey, said that doing it that way, she and her fella are BOTH happy.

Emma, who boasts 32DDs, added: "I like a man with a big dick – I love giving oral and without bragging, I have a serious talent for doing it.

"I love looking up and seeing his reaction as I take his whole package in my mouth.

"I like receiving, too, because it just feels amazing. And I also enjoy a nice 69-er, because then we're both happy!"

SUNDAY Sport SEXY BACK END!

By WENDY THOMAS
news@sundaysport.co.uk

KINKY Krystal Webb is very clear about what her perfect Sunday would be – sex, sex and MORE sex!

The 30G Birmingham stunna said: "I read the *My Perfect Weekend* feature every Sunday in my *Sunday Sport*.

"And I always read about girls saying they love going for hikes and carveries – and that's fine, as I love long walks and carveries myself.

"But my perfect Sunday – that would be sex.

"Lots of it – and rough!"

She added: "I've always liked rough sex – it's so exciting and gets the juices going every time.

"I like a man to show me he's in control by pulling my hair and dominating me. It's so animalistic.

"I'm no pushover in real life, it's just fantasy and a role to play in the bedroom.

"Or a kinky Sunday in a sex dungeon, would be perfect, too! There would be lots of whips and spanking paddles hanging up on the wall.

"The woman has some power herself down there – with his manhood in between her teeth!"

LEGENDS OF PORN

RING GIRL: Nikole takes hard cock in the ass

PART 104 NIKOLE NASH

By PENNY MARSHALL
news@sundaysport.co.uk

SHE'S only 19 but she's taken it up the pooper more times than a Brighton rent boy!

Meet bum-fiend Nikole Nash, who burst onto the porn scene earlier this year but is already a legend.

Yank stunna Nikole, the big star of the booming straight-to-anal scene, boasts 32C-27-32 curves and a VERY elastic bumhole.

Audition

Before lockdown put the kybosh on porn production in the US, she made films including *Are You Going to Watch, Exploited College Girls, Getting Railed, Hooked on Black Dick, Nailing Nikole From the Back* – part of the True Anal series – *Naughty Nikole, Nerdy Nikole* and *Nikole Nash Modelling Audition*.

She said: "What can I say? I love it in the ass!"

In one amazing movie, the raunchy redhead – who has large, pink pissflaps – shoves a huge BANANA up her back passage before peeling the fruit and gobbling it down.

A banana split will never taste the same again!

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Melinda and Kerry from Luton...

MELINDA MARTYN
AGE: 21
FROM: Luton
OCCUPATION: Bank cashier
FAVE DRINK: Cosmopolitan
FAVE FOOD: Italian
FAVE FILM: Always Be My Maybe
FAVE ACTOR: Keanu Reeves
FAVE HOLIDAY: Mallorca

KERRY SAUNDERS
AGE: 21
FROM: Luton
OCCUPATION: Waitress
FAVE DRINK: Blue Hawaiian
FAVE FOOD: Chinese
FAVE FILM: Captain Marvel
FAVE ACTOR: Jude Law
FAVE HOLIDAY: Ibiza

BUM SEX

MELINDA: Why are blokes so obsessed with sticking their willies in girls' bums? That hole is for one thing only.
KERRY: Don't you ever think you'll try it?
MELINDA: Possibly when I'm about 40 and normal sex is rubbish, but not before then.
KERRY: Well, I absolutely love it. When you get used to it, it's amazing and it will give you a thrill like you've never had before. You should try it and see!

WILLY SIZE

MELINDA: I never thought willy size mattered until I had a nine-incher. I thought I'd died and gone to heaven when I first saw it.
KERRY: Did it live up to your expectations?
MELINDA: Yes, it was so big I couldn't get it all in, but it felt fantastic. The bigger the willy, the better it is.
KERRY: I once had a 10-incher. I was terrified when I saw it for the first time because I thought it would rupture me. I can honestly say he was the best shag of my life though.
MELINDA: Have you had any tiny ones?
KERRY: No, they've all been at least average. Since I had the massive one, I won't sleep with a guy if his willy is less than eight inches.

OUTDOOR SEX

MELINDA: Have you shagged in any strange places?
KERRY: Probably the time I did it with my boyfriend behind a kebab shop down a back alley.
MELINDA: Why there?
KERRY: We arrived home and I had lost my house keys, so I couldn't get in. We couldn't wait to get back to my boyfriend's place, so we nipped up the back alley instead. It was so exciting. The only bad thing was the smell of chip fat.
MELINDA: I once had sex in the middle of a bush with my boyfriend. We were drunk and thought it would be fun.
KERRY: Was it?
MELINDA: It was cold but we had a great time. People walking past were shaking their heads in disgust, but we just found it funny.

FAKING IT

KERRY: Do you fake orgasms?
MELINDA: Of course, I don't know any girls that don't. It's the courteous thing to do when it's going on too long and you can't be bothered shagging any more because you aren't going to have an orgasm.
KERRY: I've never faked an orgasm. If they don't give me an orgasm, I just tell them they better buck their ideas up or they'll find themselves single.
MELINDA: Do they not get offended?
KERRY: Just a bit, but you should be guaranteed an amazing shag next time you sleep with them.

FAVOURITE POSITION

KERRY: I prefer having slow, passionate sex to it being rough and fast, because it's far more fulfilling.
MELINDA: What's your favourite position?
KERRY: It's doggy-style all the way for me. It's great, because even if the guy is a minger you don't have to look at him.
MELINDA: I like doing it slowly too, but I think it's more fun when you shag standing up. It makes the sex a bit more challenging, but it's worth the effort.

FIRST-TIME SEX

KERRY: Was your first time disappointing?
MELINDA: Not at all, I had an orgasm on my first time. I was 18 and did it with my boyfriend in a hotel in Mallorca when we were on holiday.
KERRY: Did it go to plan?
MELINDA: Yes, we had candles and everything and I had an orgasm just before he came. It was perfect.
KERRY: My first timewas awful. It went on for ages and I didn't get close to coming.
MELINDA: How old were you?
KERRY: I was 17 and did it with my boyfriend in my bed. He was experienced and went at it like a train. It was actually a massive relief when he came, because it was quite painful.

> "We did it in a bush. People walking past were shaking their heads in disgust but we found it funny"

THREESOMES

MELINDA: Have you ever had a threesome?
KERRY: No, but I'd jump at the chance if I was offered one. I want to do it while I'm still young.
MELINDA: What, with two blokes?
KERRY: Yes, in fact, I don't think I'd even stop at two blokes. The more the merrier. It's the kind of thing you'll only do once in your life and it'd be great to experience it.
MELINDA: I don't think I'd want to have a threesome. I know loads of blokes who've had them and they loved it, but the girls I know who have done it told me they later regretted it. I don't think it's for me.

DRESSING UP

KERRY: I never thought I was kinky until the first time I dressed up. My boyfriend bought a doctor's outfit and I bought a nurse's outfit when we were out shopping and we tried wearing them that night.
MELINDA: What was it like?
KERRY: It was hilarious but sexy at the same time. We had sex five times that night, so I suppose you could say it had a positive effect.
MELINDA: The last time I dressed up I wore saucy lingerie that I bought specially for the occasion. It put me and my boyfriend in the mood for hot, rampant sex.
KERRY: Is there a certain outfit you'd really like to wear for your fella?
MELINDA: Yes, I'd like to dress as an air hostess. I'm sure that would turn him on.
KERRY: I think next time I would go for a French maid in stockings and suspenders.

SEX TOYS

KERRY: Do you like sex toys?
MELINDA: I've only got one, but it's pretty good. It's a vibrator called the Dolphin. I got it just after I split up with my last boyfriend. It's good being able to pleasure yourself without having to rely on a bloke.
KERRY: I love sex toys. My favourite three are my vibrating willy ring, my Rampant Rabbit and my chocolate body paint. When I'm in the right mood, I use all three in the same night.

ONE-NIGHT STANDS

MELINDA: Have you had many one-night stands?
KERRY: Only three. but they were all good. It's just sex with no emotional strings attached and it's better that way.
MELINDA: How do you choose your victims?
KERRY: I just look for tall, fit guys who have a good sense of humour. They laugh me into bed and I laugh them out.
MELINDA: I go for good looks and a nice personality. I've had three as well – two were great but the other one was rubbish.
KERRY: How come?
MELINDA: We were both drunk and when he eventually managed to get a hard-on he came after about 20 seconds. I was very disappointed because he was really fit and I was expecting a good seeing-to.

OH-NO MOMENT

KERRY: Have you had any embarrassing moments mid-sex?
MELINDA: Yes, I once passed out while my boyfriend was still in me because I was so drunk.
KERRY: What did he do?
MELINDA: He didn't realise and when I woke up he was still going at it.
KERRY: You think that's embarrassing? I got caught shagging by my mum.
MELINDA: What did she do?
KERRY: She screamed and ran out of my bedroom. She wouldn't talk to me for three weeks and then banned me from having sex in her house.

WE'RE ALL WANTING SEX WITH FRIENDS!

TO celebrate the release of *Sex With Friends* on the UK's top porn channel, Television X, we've been asking why we all want to shag our pals.

The new Joybear series features European stunnas, including Julia De Lucia and Julia Roca reconnecting with old friends on a hot and flirty retreat.

Reunions can be awkward and boring, but this is the one we wish we were invited to!

Whether it's an old fling, a work hottie or your best mate's missus, the country is obsessed with getting mates into bed.

Our poll shows that 83 per cent of the population has a pal they dream of hooking up with. We also found out that 76 per cent of us are thinking about our bessie's partner.

Business

And 44 per cent of the UK admitted to checking out that hot girl from our schooldays on Facebook.

Colleagues aren't off limits either and 39 per cent of us admit to hooking up with someone from work while 14 per cent did their business in the office.

And it isn't just limited to friends…62 per cent of us want to get our best friends' sister into bed – and 42 per cent wouldn't say no to their mate's mum!

So since we're all fancying our friends, now's the time to have a go and hook up.

Get yourself in for mood for something saucy by calling 0871 271 6869 or visit *www.televisionx.com* and watch *Sex With Friends* every Friday, only on Television X (Sky 900).

OLD PALS' SEX ACT: Babe is ready for reunion romps

STRAPPING GOOD FUN: Two Julias enjoy dildo fun for old times' sake

CATCHING UP: Fella's glad he met up with pal from past

GEMMA'S AN ABSOLUTE GEM!

By WENDY THOMAS
news@sundaysport.co.uk

GEMMA Massey must be the perfect woman.

Big boobs, mad for HOT SEX – and the 32-year-old tease just loves giving BLOWJOBS!

The 32G cracker from Tamworth, Staffs, sizzled: "I absolutely love taking my fella by surprise and waking him up with a blowjob.

"I'm quite bossy and usually take control in the bedroom. I absolutely love sex – I'm a bit of a nympho, and I'm not afraid to show it, either!

Erect

"I get so turned on when his huge cock starts to go hard until it's fully erect and ready to service me.

"Using lots of saliva, I run my tongue all up and down the shaft, then pay the head plenty of attention, as well as his balls.

"Once I hear him moaning, I climb on top and begin to ride him. I know he loves it when my big boobs are bouncing in his face."

Ashleigh: I love to tease with nude photos

SUNDAY Sport SEXY BACK END!

BEFORE the lockdown, hot Ashleigh Gee loved to SEXT her fella before they spend the entire night SHAGGING.

Ashleigh, 25, of Chelmsford, Essex, sent her bloke snaps of her 34DDs during the day.

By WENDY THOMAS
news@sundaysport.co.uk

And it built up to an energetic sex session once they're both home from work.

She said: "I love sexting with a guy. Nothing gets me hornier than building up to red-hot sex by sending explicit texts to each other during the day!

"And I like to make a meal of it with a marathon session in the evening."

Ashleigh added: "But now we're both locked down at home there's no sexting – just sex!"

BRITNEY: BIGGER IS BREAST!

By WENDY THOMAS
news@sundaysport.co.uk

BIGGER is ALWAYS better – just ask busty stunna Britney.

The sizzling blonde boasts a gigantic pair of 38D sweaterstretchers.

And she admits she couldn't think of anything worse than having a small pair of boobs.

The 31-year-old hottie said her babies are a "blessing from above" and she often uses them to mesmerise men – so she can have her wicked way with them afterwards!

And judging by these steamy snaps, it isn't hard to see why so many lads come flocking to the top-heavy Cardiff cracker!

Britney added: "And, of course, with tits like these, I can give amazing tit-wanks.

"I love the sight of a hard cock between my girls, squirting hot come.

"Then I like to rub it into my nipples and lick the rest off my fingers.

"After a show like that, he's normally hard again. And that's when I get it up the arse. But THAT'S another story..."

THE WORLD FAMOUS AGONY Page

Dear Ava,

MY boss is a 45-year-old brunette babe with massive tits.

She made it clear that she wanted to f**k me when I joined the company, and I'd only been working there for two weeks when she sucked me off in her office.

We now have sex a couple of times a week, usually over her desk or in her car.

The sex is amazing and she even lets me take her up the wrong 'un… but that's the problem.

She's now told me that she's bought a strap-on dildo and that she's going to take ME up the shitter next time!

I'm really not up for it, but I'm scared she will make life difficult for me at work if I refuse.

HF, Manchester

Ava says…
SHE let you do it, so you should return the favour!

Dear Ava,

I'VE been shagging my wife's sister for the last six months.

It started because the missus has gone off sex following the birth of our second child.

I was in the pub one night and saw her sister sitting there looking stunning. I told her about my problem and she listened intently – then said I could shag HER!

She is brilliant in bed, and loves sucking me off. And she likes to be tied up and taken from behind.

The problem is, she now wants us to leave our partners and get a place together.

What should I do?

YT, Sussex

Ava says…
WHAT a mess. End this affair now and pray that your wife never finds out.

DO YOU HAVE A SEX PROBLEM?

SUNDAY Sport SEXY BACK END!

Our blockbuster romp in kinky sex cinema

Dear Ava,

ME and my busty wife are both 27 and we're really into swinging.

She's bi-sexual, so I have enjoyed a number of great threesomes – with her and other babes in the past.

But last month we did something really naughty.

We went to a cinema that was showing hardcore porn.

All around us single blokes were wanking themselves silly and the sounds of groaning filled the theatre.

I got on my hands and knees and started sucking on my wife's clit.

She soon orgasmed and then tossed me off.

Then she spread her legs and hooked her knees over the seat in front of us.

Five fellas then took it in turns to tongue out her slippery hole while she sucked me off.

It was fantastic – but on the way out we noticed my boss from work had been in the cinema at the same time as us.

And when I next went into the office he quietly told me that now he wants a go on my missus but she's not up for it cos he's a right porker.

I'm worried he might tell everyone at work our secret. What should I do?

JL, Hants

Ava says...

HE was the one w*nking on his own.

He'll stay quiet..

Dear Ava,

I RECENTLY got divorced after being with my miserable bitch of an ex-wife for six years.

It was never a great marriage and to top things off I couldn't perform properly in the bedroom.

This dented my confidence and I had to move in with my brother.

To get my sex life back on track, whenever I got the chance I chatted up my lovely female neighbours.

I'd been there for less than a week when a gorgeous brunette from across the road invited me in for a coffee.

Nosh

I sat in the living room and she came in with the drinks, and then asked if I fancied a nosh.

I said yes and she told me to get my trousers and undies off.

After I'd stripped and sat back on the settee, she took me to the back of her throat.

And it didn't take me long to explode down her neck.

Then I pulled off her knickers and went in head-first. I then entered her dripping love-cave and banged her senseless.

Since this delightful incident I have slept with a total of seven of my neighbours.

And three of them believe we have something going.

Am I being disloyal to these women?

JG, Kent

Ava says...

YES – but at least you've got your sex confidence back!

Ava says...

NO wonder Henry's looking pleased with himself!

DIANA: HOME PORN IS HOT

By WENDY THOMAS
news@sundaysport.co.uk

DISHY Diana Doll says she loves to give HOMEMADE PORNO vids as presents.

The 34C lovely flaunted every inch of her figure in this nude shoot – just a taste of what she's really like in front of the camera.

Diana, 23, from Watford, once gave a sextape of herself to her fella as a birthday gift, after she secretly filmed them at it.

She said: "I gave him the best sex of his life, using my mouth for a while before riding him.

"When I gave him the video a few days later, he couldn't believe it – he was so excited, we put it on and re-enacted some scenes!"

SPURS EYE EMERSON

TOTTENHAM are trying to pull off a £30m move for Real Betis full-back Emerson.

The 21-year-old Brazilian *(right)* was expected to head back to Barcelona at the end of the season. The Catalan giants loaned him out last summer and he has been earning rave reviews.

But Tottenham boss Jose Mourinho is a big admirer of the right-back who has just broken into the national team.

The Special One hopes to persuade Barca to bank a big profit on the youngster as they try to get enough cash together for the signing of Neymar from Paris St Germain.

That means the Catalans would be open to offers but are likely to hold out for more than Spurs initial valuation.

TOON CAV A GO

EDINSON Cavani looks set to be the first signing of the Newcastle revolution.

The Toon is about to be taken over by a consortium including the massive Saudi wealth fund.

And they are looking for marquee signings to kick off a new era at St James's Park.

Paris St Germain striker Cavani is being strongly linked with a summer move.

The Colombian striker is 33 now but has still been a key player for the French giants this season.

His contract ends this summer so he's on a free but his wages would be huge.
